

*1st Annual 5K Peculiar Run Walk for the Art Walk
Benefitting the Public Art Walk in the Downtown
Peculiar Arts & Culture District*

The 1st Annual 5K Peculiar Run Walk for the Art Walk will start and end near the intersection of E. Broadway and E. 1st Streets at the eastern edge of the Clara Brierly Festival of the Arts grounds (by the performance stage). The run will start north along E. 1st Street to North Street, turn east (right) on North and follow the yellow line. A purple line is used to indicated the last leg of the race and to show difference in direction for the very short part of the course where there will be "two way traffic" for the runners (area where there is both a yellow and a purple line). The course does include our three legged water tower and the 100 year old church that Miss Clara (artist Clara Brierly for whom the festival is named) called her second home.
